

AGENDA

Speak Out, Listen Up! *Including Student Voice in School Change*

December 4, 2014

Goals and Objectives:

The overall goal of the webinar is to introduce regional educators to a toolkit to elicit students' ideas about school related issues and how to incorporate student voice planning into school improvement. Specifically, webinar participants will:

- Understand the concept of student voice and the benefits of including student input in school improvement efforts;
- Learn about three tools that have been found effective in eliciting student ideas; and
- Hear from educators and students who have used the tools how the process has impacted school improvement efforts.
